

ESEG Masterclass Course in Gynecological Oncology

September 27 – 28, 2024

Guangzhou Women and Children Medical Center, China
Tianhe, Guangzhou, China, 510600

We are thrilled to announce the first international ESEG Masterclass course in gynecological oncology in China. The ESEG team eagerly anticipates two days filled with surgical expertise, intensive training, and interactive discussions, and we can't wait to share this learning experience with you. Don't miss this unique learning opportunity.
